Rab Scott Memorial Competition

8 players, to each DRAW a number 1-8

If a team has more than 8 players, a substitute is allocated a number by the captain before the start of the match, the players with the same number will alternate between matches

Match consists of 28 pairs, single leg matches of 801. The winning team is the first to 15 legs, should the match finish 14-14, the Captain will select a pair of players, with bullseye to decide who throws first in the deciding leg.

The away team will start the match and alternate starts follow from then on.
