

HOW TO USE THE WILDCARD

If you only have 4-players

- **Draw 4 players for singles...**
- **Enter all 4-players again and draw 2-players
(therefore 2-players play twice in the singles)**
- **In the Pairs, draw the two pairs of choice, then,**
- **Place all 4-players into the draw again to draw another
pair (therefore 2-players play twice in the pairs)**

If you only have 5-players

- **Draw 5 players for singles...**
- **Enter all 5-players again and draw 1-player
(therefore 1-player plays twice in the singles)**
- **In the Pairs, draw the two pairs of choice, then,**
- **Place these 4-players into the draw again to draw 1-
player to partner the 1-player without a partner
(therefore 1-player plays twice in the pairs)**

**You can only play the Wildcard twice during the season, If
you've already played the wildcard twice, then you still
have to play the match as long as you have 4-players...**

**The draw for these matches, the opposition only have to
put 4 or 5 players into the draw, and two pairs...**
