THE DIFFERENCE BETWEEN DATA CONTROLLERS/PROCESSOR

A data controller is a person who controls how personal information is processed and used. A data processor is a person who processes and uses personal information in accordance with the instructions of a third party, i.e., the data controller.

This distinction is important. In most cases we will be a data controller of your personal information. In any case where we are not a data controller this means that you cannot exercise these rights against us directly (i.e., where we only act as a data processor), but you can do so against the data controller (i.e., the person who controls how we process the personal information). In these cases, we will endeavour to inform you who is the data controller of your personal information so that you can direct any such requests to them.

**ESSEX COUNTY DARTS ORGANISATION

36. No Super League dart player is allowed to sign on for an alternative Super League Team until any outstanding disciplinary matters or debts with the team or County Organisation that has been left have been settled, until all parties have put their case to the League Council and the matter voted on. At the end of each season all players will fill in a Registration form for the next season or a Player Release Form prior to the A.G.M. so that all teams will know that players have no outstanding financial commitments to their previous team. All Release forms should be signed by the Team Secretary, if unavailable, then Team Captain as named in the handbook.
37. Super League 1-6-12 League. This competition to coincide with league games eg. 1st game played counts as 1 point, 6th game played counts as 2 points and 12th game played counts as 3 points. The recorded draw of 1st, 6th and 12th players to be recorded for Fixture Secretary. Teams who cannot fulfil the last game will lose the 3 point game. If both teams have one player short, 11th game will count as 3 point game. A team trophy and prize money will be provided for the team with the most points at the end of the season, this money to be provided by a £5.00 fee payable by all teams. The format of this competition to change in line with the playing format of the League, eg 9 singles would represent 1-5-9 League.

39. Nominations for Officials and Proposals for the ensuring season to be received in writing by the appropriate League Secretary at least 21 days before the A.G.M.
40. The Men's Super League A.G.M. to take place on a Wednesday night when possible starting at 8pm.
41. (i) If an incident occurs the league must be informed in writing within 7 days of the incident. If the league council feels it is serious enough for disciplinary action to be taken the following procedure shall be followed. Any player(s) involved in the incident shall be suspended from the league immediately until a disciplinary hearing can be held. The disciplinary committee to be made from 2 members of the league council, plus 3 Team Secretaries or Captains (as named in the official year handbook) to be chosen from teams not involved in the incident and should be held as soon as practically possible. If the outcome of the disciplinary is appealed then 2 different members of the League Council plus 3 different team Secretaries or Captains named in the handbook are to be chosen from teams not involved in the incident to hear the appeal. This process to be taken to include failure to report an incident which could be seen as bringing the sport of darts into disrepute.
(ii) The League Council to act without reference to a disciplinary hearing in the event of a breach deemed serious enough for immediate action, such as violence, threatening behaviour, use of drugs or involvement, or the Police being called for by the venue. To appeal this judgement the procedure is the same as stated in reference (i) above.
42. The Team Secretary and Captains Name, Address and Telephone number will be printed in the handbook subject to the Essex Privacy Policy of the G.D.P.R.

2. A registration fee of £10.00 per player. All players registered by Essex must have, regardless of age have completed a Super League registration form for the League each season.
3. Each player to be responsible for monies owed to the Organisations, also for the return of individual perpetual trophies to them. Representatives of the league must be in attendance at all fixtures and competitions, the Official is present to ensure that a level of discipline is maintained and that smoking of electronic devices and drinking of alcohol is not permitted by the players or Officials in the playing areas.
4. The use of mobile phones by players or Officials in the playing area is prohibited at fixtures and competitions.
5. Any player(s) reported to the Organisation (in writing within 7 days) for misbehaviour or misuse of darts could result in disciplinary action being taken by the Essex County Darts Organisation appointed Committee.
6. The Youth Focal Point Officer(s) or designated representative(s) for Child Protection issues to be in attendance to maintain records of player attendances and incidents at all Youth League fixtures, competitions and County events.
7. Financial commitments by way of fees, registrations, fines etc for all leagues will end at the 1st May each season, unless the published league programme is still incomplete or fines are incurred after this date in which case 31st May. All monies must be paid in full prior to these dates.
8. Any matter not covered within these rules or laid down in this Constitution shall be determined by the Essex County Darts Organisation Committee. Such determinations shall be put to a full Essex County Darts Organisation Committee meeting as published for approval, and then by ordinary resolution at an A.G.M. and shall be entered into the Constitution there on.
9. Players that may be selected to form a County Youth team must be registered Super League players within the E.C.D.O. The Southern Counties Youth Darts League registration form. The S.C.Y.D.L. to which Essex are full members allows players to play Youth in one County and Seniors in another or visa versa.

CHILD PROTECTION STATEMENT

This statement recognises that the welfare and interests of children are paramount in all circumstances. It aims to ensure that regardless of age, gender, religion or beliefs, ethnicity, sexual orientation or socio-economic background, all children:

- a. Have a positive and enjoyable experience of the sport of darts at Southern Section in a safe environment.
- b. Are protected from abuse whilst participating in any Southern Section activities.

Southern Section acknowledges that some children, including disabled children and young people or those from ethnic minority communities, can be particularly vulnerable to abuse and we accept the responsibility to take reasonable and appropriate steps to ensure their welfare.

As part of our safeguarding policy Southern Youth will:

1. Promote and prioritise the safety and wellbeing of children and young people.
2. Ensure everyone understands their roles and responsibilities in respect of safeguarding.
3. Ensure appropriate action is taken in the event of incidents/concerns of abuse and support provided to the individual(s) who raise or disclose the concern.
4. Ensure that confidential, detailed, and accurate records of all safeguarding concerns are maintained and securely stored.
5. Prevent unsuitable individual's involvement with Southern Section where possible.
6. Ensure robust safeguarding arrangements and procedures are in operation.

The policy should be widely promoted, and we expect everyone involved with Southern Youth to follow the policy.

Southern Youth will review the policy annually at the A.G.M. or in the following circumstances:

1. Changes in legislation and/or government guidance
2. As required by the Local Safeguarding Children Board, UK Sport and/or Home Country Sports Councils
3. As a result of any other significant change or event
