Hatcher Cup – Team Knockout

30 Competitions... 25 Winners... *1 Unknown...*

The family of Kevin Hatcher, who was tragically killed in 1977, donated the Hatcher Cup, and was originally played for by all teams that were knocked out of the Fargo Cup preliminary and first rounds. This continued till 2003; it then became the Division 2 and 3 Knockout Cup for one season only... In 2004 it became the Knockout for Division 2 only... however in 2006 the trophy was lost while the Horse & Groom was closed for refurbishment... The Royal British Legion Cup replaced the Hatcher Cup from 2008/09 season...
